Unfortunately, there are things we can't accept as donations, not because we don't want to help you but **because we can't sell these items**. When you avoid donating these items, it helps us help others in need in our community!

We are very sorry, but we just can't sell items that are torn ripped, stained, broken, or worn out. Help us by donating gently used items that can sell in the stores and help our mission!

If you have any questions, please give us a call.
